

Wound Biotechnology Foundation Travel Award for Trainees

Congratulations to our winners of the Wound Biotechnology Foundation Travel Award for Trainees. Limited travel awards were available for trainees whose abstracts had been accepted for presentation to the 20th Annual Meeting of the Wound Healing Society with Symposium for Advanced Wound Care (SAWC) in Orlando, Florida, April 17-20, 2010, Gaylord Palms Resort.

The abstracts were selected on a merit basis and the award will be handed out at the WHS Business Meeting and reception on Monday, April 18, 2010, 6:30 to 7:30 pm at the Gaylord Palms Hotel, (*Room Name TBA*). Presentation of **Wound Biotechnology Foundation Travel Award for Trainees** will be made at that time. We require attendance of all 10 Abstract Presenters at this event.
